Dear Sir,

With reference to the Corporate Announcement submitted on July 28, 2025, and in response to the additional information sought by BSE via email dated July 29, 2025, please find enclosed the revised Press Release dated July 29, 2025, along with the annexure, in compliance with SEBI Circular No. SEBI/HO/CFD/CFD-PoD-1/P/CIR/2023/123 dated July 13, 2023, and the subsequent circular dated November 11, 2024.

Kindly take on record the above.

Thanking You

For Tiger Logistics (India) Limited

Vishal Saurav
Company Secretary & Compliance Officer

Tiger Logistics Secures Large-Scale Solar Logistics Projects as Indian Solar Companies Ramp up Production of Modules

New Delhi, India – July 29, 2025 – Tiger Logistics (India) Limited, a leading international logistics solutions provider, today announced the successful execution of multiple large-scale logistics projects, moving approximately 2 GW in a single project under its renewable energy vertical, TiGreen, to support India's fast-growing solar manufacturing sector.

India's push toward energy security and self-reliant solar manufacturing is creating a new class of logistics demand — specialized, capital-intensive, and time-bound. With shipment batch sizes of up to 200 containers executed successfully, these projects involved the end-to-end movement of high-value capital equipment from China to India, including specialized cargo for solar module manufacturing.

Key routes included shipments from Qinzhou, Wuhu, Shanghai, and Ningbo to Nhava Sheva, Mundra, Hazira, and Chennai, with a cargo mix comprising Flat Rack (Over-Width & Over-Height), 40' High Cube, 20GP, and Open Top containers. Despite challenges such as vessel space limitations, port congestion, container shortages, and stringent delivery timelines, TiGreen leveraged Tiger Logistics' strong command over the China–India trade lane, deep understanding of solar supply chains, experienced leadership in the solar sector, and extensive network of local agents and shipping line partners to ensure timely and disruption-free execution.

Disclosure under SEBI Circular No. SEBI/HO/CFD/CFD-PoD-1/P/CIR/2023/123 dated July 13, 2023, and the subsequent circular dated November 11, 2024 is annexed as Annexure - I.

Commenting on the development, Mr. Harpreet Singh Malhotra, CMD of Tiger Logistics (India) Limited, said, *“TiGreen's performance reinforces our position as a trusted international logistics partner to the renewable energy sector. We are proud to play a catalytic role in powering India's clean energy mission through efficient and compliant international logistics solutions.*

As India accelerates its energy transition, TiGreen is well-positioned to capture the growing demand in the renewable energy supply chain. Our execution strengthens our leadership in renewable energy logistics and creates lasting value for shareholders. The company expects continued momentum in its RE vertical, driven by ongoing investments in solar infrastructure, trade lane optimization, and project logistics capabilities.”

About TiGreen:

TiGreen’s focus on renewable energy aligns with Tiger Logistics’ broader vision of sustainable growth in the sector. To support the dedicated vertical’s ambitions in the logistics of renewable energy, Tiger Logistics plans to invest further in people and technologies, as well as leveraging the expertise of the company in specific trade lanes.

About Tiger Logistics (India) Limited (BSE: 536264):

Tiger Logistics India Limited is a Bombay Stock Exchange-listed leading international logistics company and solutions provider, covering freight forwarding (air & ocean), defence & project logistics, transportation, and customs clearance. The company also launched its proprietary freight booking and management platform, “FreightJar”, in 2023 to bring accessibility to competitive freight rates for SMEs/MSMEs and seamlessness to the freight booking and management journey. With a strong presence across the world, Tiger Logistics boasts over 24 years of experience in the automotive, renewable energy, engineering goods, yarns & textiles, pharmaceutical, consumer durables, commodities, building materials, defence & aerospace and FMCG industries, among others.

Founded in the year 2000 in response to a need for a reliable, high-principled player in the Indian logistics scenario and a goal to be a one-stop shop for international logistics, Tiger Logistics works with agents & partners across the board to deliver reliable, efficient, and timely cargo movement around the world. With an asset-light model and one-stop solution for customers for international trades, Tiger Logistics carves tailored solutions for its customers to manage their end-to-end logistics requirements, with cost innovation and personalized service at its core by working as a logistics partner instead of just a vendor. Sr. No.	Particulars	Tiger Logistics Comments
1	Full Name of the entity awarding the order	Goldi Solar Pvt Ltd
2	Significant terms and conditions	Ocean Logistics - Project Import from Ex Shanghai to Hazira port, India.
3	Order awarded by domestic / international	Domestic Indian Company for Solar Logistics Projects
4	Nature of order	Ocean Logistics-Import Project
5	Whether Domestic/Internation	International
6	Time period of execution	45 days
7	Broad consideration / size of order	Two Gigabyte-capacity machinery to Goldi Solar Pvt. Ltd, Approx 200 Containers with Sea Freight charges amounting approximately Rs. 7 Crores
8	Promoter group interest in the order	No
9	Related party transaction	No
